Tuesday, 8 December 2026 – DAY 5 – CAIRO – PYRAMIDS

Highlights and sites to visit for the day: It’s an early start to include a visit to the Saqqara Pyramids featuring the Step Pyramid, one of Egypt’s oldest and most significant architectural achievements, followed by a tour of the ancient capital of Memphis. We will see the Mit Rahina open-air museum houses and remnants of colossal statues, sphinxes and temples, notably the Colossus of Ramses 11 and the Alabaster Sphinx. Also, we visit the necropolis featuring the Step Pyramid of Zoser. Memphis and the necropolis were collectively added to the UNESCO World Heritage List in 1979.

After lunch we travel to the Early Christian Heritage area of Wadi Natrun where there are four Monasteries. We experience a tour led by a local Monk who will take us to areas we wouldn’t be able to access otherwise. Included is Deir Abu Makar (St. Macarius Monastery) famous as the Monastery where most Coptic popes have hailed from. In the nave, we peer through a trapdoor into the crypt where the Monks found relics claimed to be of St. John the Baptist.

We are looking forward to asking the Monks if they know of any Essenes and Magdalene’s in the area.
